Indicative schedule of alternate electricity cuts in Kos - Kalimnos

Following the previous update on the damage caused on the PPC Units at the Kos Autonomous Generation Stations and the temporary decline of production due to the extreme high temperatures, HEDNO would like to announce that for **tomorrow, 7 August 2021**, between 00:00 and 15:00, short, up-to-one-hour alternate electricity cuts have been scheduled to ensure the smooth running of the electricity system.

HEDNO would like to express its regret for the inconvenience caused and thank all consumers in advance for their active participation in the effort to restrict consumption.
